TONY MCMANUS

Acoustic guitar concert

Sabhal Mòr Ostaig, An Talla Mòr

Tony McManus has come to be recognised throughout the world as a leading guitarist in Celtic Music. From early childhood his twin obsessions of traditional music and acoustic guitar have worked together to produce a startlingly original approach to this ancient art. In Tony's hands the complex ornamentation normally associated with fiddles and pipes are accurately transferred to guitar in a way that preserves the integrity and emotional impact of the music.

Cuirm-ciùil giotàir

Tha Tony McManus aithnichte air feadh an t-saoghail mar sàr chluicheadair giotàir ann an saoghal a' chiùil Cheiltich. Bha e air a bheò-ghlacadh bho aois glè òg leis an dà chuid ceòl traidiseanta agus an giotàr agus tha e air na dhà a thoirt còmhla airson gleus ùr a chur air an ealain aosmhoir seo.

Tha stoidhlichean toinntè na fìdhle is na pìoba gan toirt a-null don ghìotàr gu h-ealanta le Tony ann an dòigh a tha a' glèidheadh freumhan agus buaidh a' chiùil.
